

LINKMUSIC

Wi-Fi speaker

Google Assistant

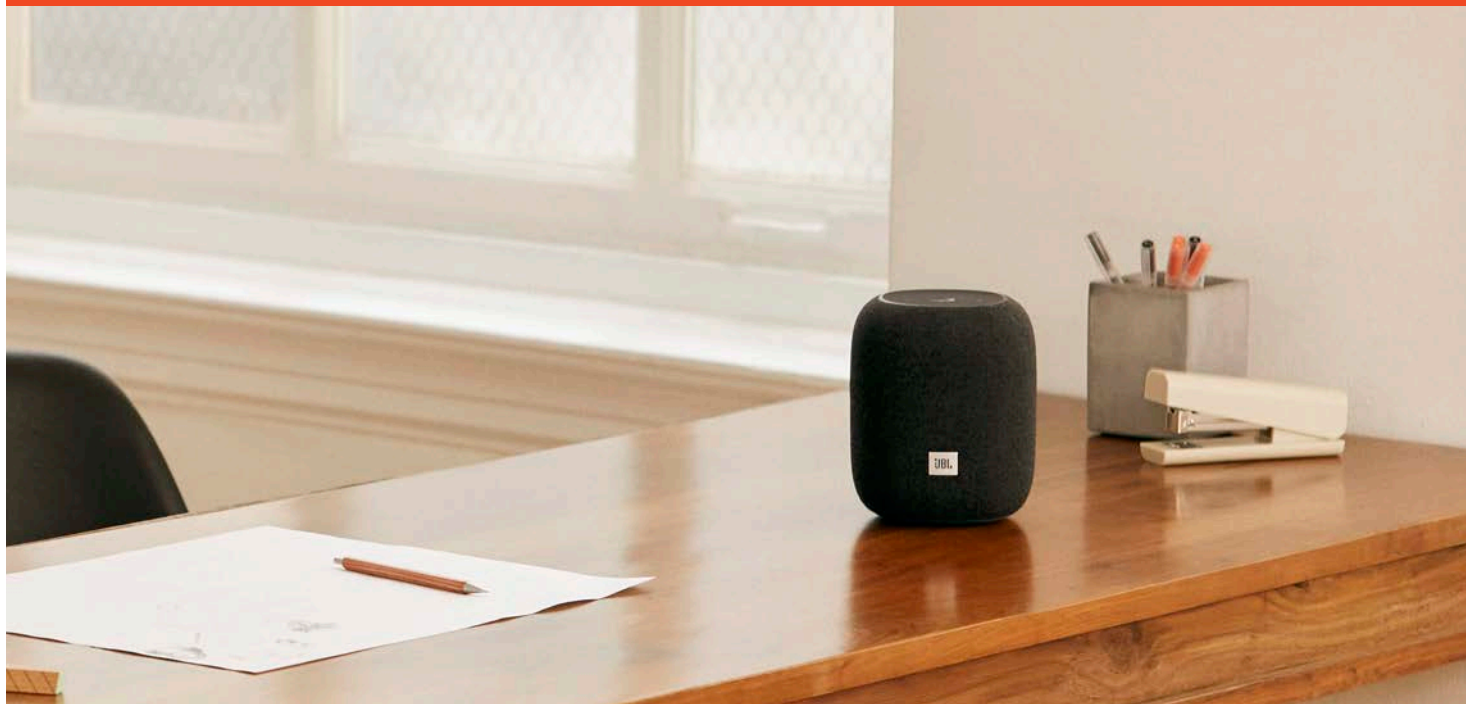

The compact JBL Link Music fills your home with 360-degree sound.

From your kitchen to your living room, JBL Link Music delivers bold, dynamic JBL 360-Degree Pro Sound. With the Google Assistant, play and control your favorite music, access Spotify, YouTube Music and Apple Music and listen without interruptions. Just say "Hey Google" to get started. Pick the JBL Link Music that is perfect for you, with a choice of six stylish colors.

Features

- ▶ JBL 360-Degree Pro Sound
- ▶ Wireless streaming via Wi-Fi or Bluetooth
- ▶ Hands-free help from the Google Assistant
- ▶ Easy, no-fuss setup
- ▶ Style and substance

Features and Benefits

JBL 360-Degree Pro Sound

Surround yourself with music. JBL Link Music pulses sound in every direction thanks to a full-range transducer with 360-degree capabilities. Enjoy crystal clear highs, sharp mids and deep, powerful bass.

Wireless streaming via Wi-Fi or Bluetooth

Stream music on your JBL Link Music effortlessly. Keep the music going with seamless Wi-Fi or Bluetooth streaming and easily access your Spotify, YouTube Music or Apple Music with no interruptions.

Hands-free help from the Google Assistant

Just say "Hey Google" to ask the Google Assistant to play your favorite songs, and get easy access to all your music.

Easy, no-fuss setup

Easily set up and manage the JBL Link with the free Google Home App for iOS and Android. Download, install, and play.

Style and substance

The JBL Link Music looks as good as it sounds. Choose from six bold colors to complement your style*.
